

MY FAVOURITE THINGS

One of my favorite things is Fishing.
I have gone fishing many times.

First, I went to Okinawa and went fishing with my family.

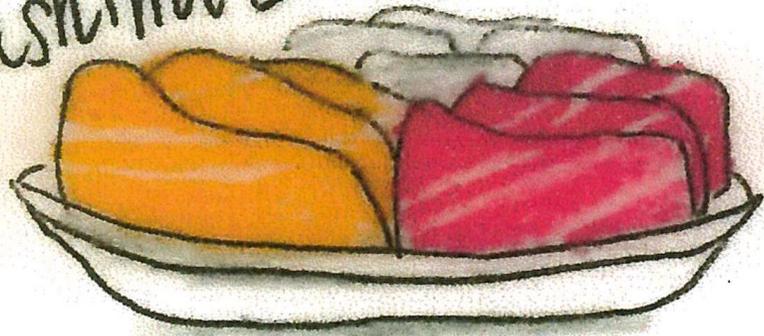

The sea of Okinawa is very beautiful.

When I saw the sea, my heart was moved.

Fishing then was different from usual,

Sashimi ♡

Grilled
fish ♡

I caught many fish.

We went to a restaurant and
took the fish, too.

They were cooked by the chef.

They were very fresh and
delicious.

I want to go fishing in Okinawa
again.
